

Christmas Couture

Hand Made in Tuscany - Italy

A Natale, l'Arte e la Moda:
l'incontro di tre passioni.

Le stesse sempre vive in Luca Dell'Innocenti, fondatore di Ludell, che ha racchiuso in una preziosa, ricercata, esclusiva ed entusiasmante collezione: Christmas Couture.

Le idee ed i disegni prendono forma, cercando tra quanto di più appropriato la nostra splendida terra ci offre.

Tutto deve essere eccelso.

Le sculture sono affidate ad uno dei più bravi e promettenti scultori Viareggini che, con abile maestria, plasma il corpo, le varie espressioni del volto, le mani, le calzature...con la cura di ogni dettaglio fino a sfiorare la perfezione.

Gli abiti vengono cuciti da abili mani nella sartoria interna, sotto la direzione maniacale del creatore, unendo sapientemente preziosi e ricercati tessuti, eco-pellicce, intricate lavorazioni, ricami, corone, decori e dettagli couture.

Niente è lasciato al caso; tutto è tenuto insieme dall'entusiasmo di realizzare emozionanti decorazioni, completamente ideate e create in Toscana da artisti toscani.

Ogni pezzo è differente dall'altro, unico, proprio perché realizzato interamente a mano in maniera artigianale e non in serie industriale.

Ogni anno oltre a nuove figure in edizione limitata saranno proposti anche alcuni ornamenti in vetro soffiati a bocca, sempre disegnati da Ludell, dipinti e decorati a mano da maestri artigiani Europei, i migliori in assoluto per fedeli riproduzioni in miniatura.

Per suscitare emozioni ed esprimere gioia, arredare e decorare ogni ambiente con assoluta originalità, Christmas Couture è rivolta a veri amatori, collezionisti, a chi ricerca magia e bellezza... a chi desidera veramente qualcosa in più.

*C*hristmas, Art and Mode: meeting of three passions.

The same still alive in Luca Dell'Innocenti, founder of Ludell, who combined them in a precious, sought-after and exclusive collection: Christmas Couture.

Ideas and drawings take life, searching what is more appropriate in our beautiful land.

Everything must be sublime.

Sculptures are entrusted to one of the most talented and promising sculptors from Viareggio, appreciated and known for his realisations of Viareggio Carnival, who skilfully models the body, the many face expressions, the hands, the shoes... almost reaching perfection.

Suits are sewed by skilful hands in the internal tailoring, under the creator's maniacal direction, joining wisely precious and refined fabrics, eco-furs, intricate manufacturing, embroideries, crowns, decorations and couture details.

Nothing is left to chance; everything is held together by the enthusiasm of realising exciting Santa Claus figures, that are completely ideated and created in Italy, precisely in Tuscany, from Tuscan artists.

Each year will be proposed, along with new limited edition figures, some glass ornaments mouth-blown, still drawn by Ludell, painted and decorated by hand by European master craftsmen, the very best for faithful reproductions in miniature.

To arouse emotions and express joy, to furnish and decorate any location with absolute authenticity, Christmas Couture is addressed to true lovers, collectors, for who researches magic and beauty... for who wants something more.

The Night Before Christmas

82 cm./32"

It was the night before Christmas

When all through the house
Not a creature was stirring, not even a mouse
The stockings were hung by the chimney with care
In hopes that St. Nicholas soon would be there

The children were nestled all snug in their beds
While visions of sugar-plums danced in their heads
And Momma in her kerchief and
I in my cap had just settled our
brains for a long winter's nap
When out on the lawn there
arose such a clatter
I sprang from the bed
to see what was the matter

Away to the window I flew like a flash
To open the shutters and throw up the sash

The moon on the breast of the
new-fallen snow gave the lustre
of mid-day to objects below...
I knew in a moment it must
be St. Nick...
His dog leaves that before
the wild hurricans fly, when
they meet with no obstacle,
mount to the sky
and up to the house-top the couriers
they flew, with the sleigh full of
toys - and St. Nicholas too...

As I drew in my head
and was turning around, down the chimney St. Nicholas
came with a bound...
He spoke not a word, but went straight to his work and fill'd all
the stockings, then turn'd with a jerk... and giving a nod up the chimney
he rose. He sprang to his sleigh, to his team gave a whistle and away they
all flew, like the down of a thistle!

But I heard him exclaim
ere he drove out of sight "Happy Christmas
to all, and to all a good night!"
